Moline, IL: October 28, 2021

The Moline Foundation is pleased to announce the acceptance of Fall 2022 Scholarships applications starting on November 1, 2021. This year, \$60,000 and 32 individual scholarships are up for awarding. Additional information and links to the application can be found on www.MolineFoundation.org.

While most scholarships are for current high school seniors planning on attending a two or four-year colleges or universities, there are scholarships targeted for technical or trade schools, those currently enrolled in college, and for Veterans. If the academic program is at an accredited institution, a scholarship can be received.

The deadline for application is Saturday, February 15, 2022.

“The Moline Foundation is honored to partner with donors to fulfill their wishes to help local students pursue their academic and career goals.” states Paul Plagenz, President/CEO of The Moline Foundation.

There are two applications forms. First is a general application, which after submitting, matches the applicant with all the scholarships for which they qualify. This requires:

- Two letters of reference uploaded onto the application
- Answer to “Why are you entering your chosen field of study?”
- List of activities/involvement – honors, extracurricular, work, volunteering, etc.
- General Information
- Financial Information if the applicant wishes to be considered for scholarships that are based partially on need; this includes multi-year scholarships. You will need to have your FAFSA EFC and Aid Report. Everyone is welcomed to apply for these.

The second application is specifically for The Vietnam Veterans Chapter 299 Scholarship which requires the same basic information above with a 1040 instead of FAFSA, three letters of reference, a DD2-14 military service record, and an essay answer for “What did you learn during your service in the military?”
