Who We Are - We bring youth HOPE!

YouthHope was founded in 1936 as Christian Friendliness Association! Our name has changed, but our focus remains the same: to equip, encourage and empower youth and families in need.

We have Youth Centers located in Moline and Rock Island, Camp Summit (New Windsor, IL), and Community Outreach Programs throughout the Quad Cities.

Our mission is to bring at-risk children and teens from low-income areas into a life-changing relationship with Christ. Our vision is to transform at-risk youth to impact our community. Hundreds of kids and teens participate in YouthHope programs each week!

What We Do - YouthHope offers after-school and evening enrichment programs, literacy tutoring, leadership development, and life skills training, six days a week at our Moline and Rock Island Youth Centers.

YouthHope's Community Outreach Programs partner with parks, schools, housing complexes, churches, and other organizations to provide fun, safe, and enriching programs for kids and teens.

YouthHope's Camp Summit in New Windsor, Illinois, offers urban youth a summer camp experience and retreats during the school year. Campers experience outdoor activities, team building, and character developing challenges.

Help bring youth HOPE! Your gift is an investment in the life of a kid or teen.
