The Moline High School Class of 1965 Scholarship Fund began in 2014 with the purpose to give back to their Alma Mater by providing supporting scholarships for Moline High School students.

The Class of 65 coordinates and challenges its alumni to contribute to the scholarship fund through an annual drive or memorials. Currently they are challenging The MHS Class of 65 to grow the contributors of the fund – DRIVE TO 65.

The fund awards current year MHS graduates who seek to better themselves and contribute to society.

Scholarships Awarded

“Receiving this scholarship has given me another opportunity to reduce the financial stress my family and I are facing due to my college expenses. This allows me to continue striving to reach my goals and in turn make an impact on society. I want to greatly thank the Moline Foundation in allowing me this opportunity and supporting me in furthering my education.”

Taylor Bohannon

“I greatly appreciate being chosen for this scholarship and recognize what a difficult decision it must have been. I can’t go to college without incurring student loans, so it means a lot to me that you are investing in my education.”
