Friendship Manor was founded in 1979 by The International Order of The King's Daughters and Sons, Illinois Branch and offers care in seven different service areas.

The Friendship Manor Silver Cross Endowment Fund was established in 2016 with a goal of providing permanent annual operating support for residents who have financial need.

The Manor is committed to ensuring our residents quality care throughout their time here and never asks a resident to leave if they outlive their resources.

Whether an annual event or estate gift, your financial support can help ensure Friendship Manor will be here for generations to follow.

Please consider what you can do to serve seniors at Friendship Manor. By "Sharing in the Care" you can be assured every penny of your contribution will go towards benevolent/charitable care of seniors in need. Every single cent.
